SUBSTATION N^o 41 BAR is the Breakfast Creek Hotel's home of premium spirits and beers. The shell of the bar is a disused electrical substation that features original brickwork and gantry. The showcase of the SUBSTATION N^o 41 BAR is the 12 metre long solid timber bar top, salvaged from the old CSR sugar refinery at Teneriffe. Other timber used to construct the bar was sourced from the Townsville wharves. SUBSTATION N^o 41 BAR has the perfect atmosphere to relax, indulge and drink in the flavour of history...
